(iii) A veteran of the Mexican border period or World War I or who is in receipt of increased pension or additional compensation based on the need for aid and attendance or housebound benefits when it has been determined based on an examination by a physician employed by VA (or, in areas where no such physician is available, by a physician carrying out such function under a contract or fee arrangement), that the medical condition of such veteran precludes appropriate treatment in VA facilities;

(Authority: 38 U.S.C. 1703; sec. 19012, Pub. L. 99-272)
